Dear Ms. Watt:

I am delighted to advise that, because of your exceptional academic achievement, you have been chosen to receive a Jason Lang Scholarship valued at \$1,000. This scholarship recognizes and rewards the tremendous time and effort you have given to your studies. It acknowledges your outstanding accomplishments and encourages your continued education. As the Deputy Premier and Minister of Enterprise and Advanced Education, I am honoured to present this scholarship to you and to extend my warmest congratulations.

You may be interested to know that this scholarship was named in memory of Jason Lang, a 17-year-old high school student who was killed in a tragic school shooting in April 1999. The scholarship was established in 2000 by the Alberta government as part of Enterprise and Advanced Education's Achievement Scholarship Program. The Government of Alberta also encourages and rewards student excellence through the Alberta Heritage Scholarship Fund. This year, over \$71 million in Alberta scholarships will be awarded to students like you.

Again, please accept my heartfelt congratulations. I wish you every success as you continue your learning and acquire the knowledge and skills needed to pursue your goals.

Sincerely,

Thomas A. Lukaszuk
